My eyes adored you  
Though I never laid a hand on you,  
My eyes adored you  
Like a million miles away from me you couldn't see  
How I adored you:  
So close, so close and yet so far away  
Carried your books from school,  
Playing make-believe you're married to me:  
You were fifth grade, I was sixth  
When we came to be  
Walking home every day over Barnegat Bridge and  
Bay,  
Till we grew into the me and you  
Who went our separate ways  
My eyes adored you  
Though I never laid a hand on you,  
My eyes adored you  
Like a million miles away from me you couldn't see  
How I adored you:  
So close, so close and yet so far  
Headed for city lights,  
Climbed the ladder up to fortune and fame,  
I worked my fingers to the bone,  
Made myself a name.  
Funny, I seem to find that, no matter how the years  
unwind,  
Still I reminisce about the girl miss  
And the love I left behind...  
My eyes adored you  
Though I never laid a hand on you,  
My eyes adored you  
Like a million miles away from me you couldn't see  
How I adored you:  
So close, so close and yet so far  
All my life I will remember how warm and tender  
We were way back then  
Though I'm feeling sad regrets I know I won't ever  
forget  
You, my childhood friend  
My eyes adored you  
Though I never laid a hand on you,

My eyes adored you  
Like a million miles away from me you couldn't see  
How I adored you:  
So close, so close and yet so far
