Oh how you tried to cut me down to size
Telling dirty lies to my friends
But my own father said give her up don't bother
The world isn't coming to an end
(he said just) Walk like a man
Talk like a man
Walk like a man my son
No woman's worth
Crawling on the earth
Just walk like a man my son
Good-bye baby I don't mean maybe
I'm gonna get along somehow
Soon you'll be cryin on account of all your lyin
Oh yeah just look who's laughing now
(I'm gonna) walk like a man
Fast as I can
Walk like a man from you
I'll tell the world to forget about it girl
And walk like a man from you
