Any day now I will hear you say,   
 Goodbye, my love

And you'll be on your way

Then my wild beautiful bird, you will have flown, oh

Any day now, I'll be all alone

Any day now, when your restless eyes meet someone new

Oh, to my sad surprise

Then the blue shadows will fall all over town

Any day now, love will let me down

(Any day now)

'Cause you won't be around

I know I shouldn't want to keep you if you don't want to stay

Until you go forever, I'll keep holdin' on for dear life

Holdin' you this way

Begging you to stay

Any day now, when the clock strikes, go

You'll call it off and then my tears will flow

Then the blue shadows will fall all over town

Any day now, love won't let me down

(Any day now)

'Cause you won't be around

Then my wild beautiful bird, you will have flown

Any day now, love won't let me down

'Cause you won't be around

Any day now
