My eyes adored you  
Though I never laid a hand on you  
My eyes adored you  
Like a million miles away from me  
You couldn't see how I adored you  
So close, so close and yet so far

Carried your books from school  
Playin' make-believe you're married to me  
You were fifth-grade, I was sixth  
When we came to be

Walkin' home every day over  
Over Barnegat Bridge and Bay  
Till we grew into the me and you  
Went our separate ways

My eyes adored you  
Though I never laid a hand on you  
My eyes adored you  
Like a million miles away from me  
You couldn't see how I adored you  
So close, so close and yet so far

Headed for city lights  
Climbed the ladder up to fortune and fame  
I worked my fingers to the bone  
Made myself a name

Funny, I seemed to find  
That no matter how the years unwind  
Still I reminisce 'bout the girl I miss  
And the love I left behind

My eyes adored you  
Though I never laid a hand on you  
My eyes adored you  
Like a million miles away from me  
You couldn't see how I adored you  
So close, so close and yet so far

(My eyes adored you)

All my life I will remember  
How warm and tender  
(Though I never laid a hand on you)  
(My eyes adored you)

We were way back then, whoa, whoa, baby  
(Like a million miles away from me)  
(You couldn't see how I adored you)  
Oh, the feeling, sad regrets  
I know I won't ever forget you, my childhood friend  
(So close, so close and yet so far)

My eyes adored you  
Though I never laid a hand on you  
My eyes adored you  
Like a million miles away from me  
You couldn't see how I adored you  
So close, so close and yet so far

My eyes adored you  
Though I never laid a hand on you  
My eyes adored you
