Kiss me each morning for a million years
Hold me each evening by your side
And tell me you'll love me for a million years
If it don't work out, if it don't work out
Then you can tell me goodbye

Sweeten my coffee with a mornin' kiss
Soften my dreams with a sigh
After you'd loved me for a million years
If it don't work out, if it don't work out
Then you can tell me goodbye

If you must go, no, I won't grieve
If you wait a lifetime before you leave

But if you must go, I won't tell you no
Just so we can say that we tried
Tell me you'll love me for a million years
If it don't work out, if it don't work out
Then you can tell me goodbye

But if you must go, I won't tell you no
Just so we can say that we tried
Tell me you'll love me for a million years
Then if it don't work out, and if it don't work out
Then you can tell me goodbye
Then you can tell me goodbye
