I
Love you
Just you
It's true
Baby it's true
But how much more do
You need to
Be satisfied and I
Can give
Away
You live
Baby can give
Cheat all over
A rover
You are
Lemme tell you oh girl
You know you're gonna hurt yourself
You know you're gonna hurt yourself
When you're broke and worn out
When your heart is torn out don't call me
Don't call me no
Don't wait
You'll be
Too late
Baby it's true
If you want my love
Take my love
But don't go shopping
In town
'Til you
Have found
The guy you needed
Was me all
Along
Baby baby oh girl
You know you're gonna hurt yourself
You know you're gonna hurt yourself
When you're broke and worn out
When your heart is torn out
Don't call me
I love you
Girl

You know you're gonna hurt yourself
You know you're gonna hurt yourself
When you're broke and worn out
When your heart is torn out
Don't call me
I love you
Girl
You know you're gonna hurt yourself
Don't hurt yourself
Girl
Come on girl
You know you're gonna hurt yourself
Come on girl
