i've been searching all this big wide world, but finally i
found my
candy girl---candy girl---
i---found me a girl---
she----sets my heart a whirl
with huggin, and kissing, and loving----
she's mine, mine, mine, mine, woahwoah--candy girl
we---get along so well----
i---know just why i fell---
she's thrilling, oh and chilling, yes she's so devine
she's mine, mine, mine, mine woahwoahwoah..candy
girl
when were out together, everyone knows the way we
feel
we both seem to glow with the glow of love, and it's
plain to see
our love is real
i---'m happy as can be---
she----vowes eternally---
to hold me, and love me, until the end of time...
she's mine, mine, mine, mine, woahwoahwoah..
candy girl----, candy girl---, candy girl---
