You're cryin' now
Just like I used to cry before
(Rain, rain)
Turn off the tears, girl
(Rain)
I don't care anymore
(Rain)

You can save all your lies
(Save all your lies, girl)
'Cause I've heard them all before

Tell it to the rain
And the stars that shine above
That it's me you're thinking of
And I'm your love
Tell it to the rain

I gave you love, girl
And got nothing in return
(Rain, rain)
How does it feel to feel
(Rain)
What I had to learn?
(Rain)

Baby, don't say you're sorry
'Cause I'm just not concerned

Tell it to the rain
And the stars that shine above
That it's me you're thinking of
And I'm your love
Tell it to the rain

(Tell it, baby)
Yeah
(Tell it, baby)
Yeah
(Tell it, baby)
Yeah yeah yeah yeah
Yeah yeah yeah

Tell it to the rain
And the stars that shine above
That it's me you're thinking of
And I'm your love
(Forget it love)
Tell it to the rain

Rain
And the stars that shine above
That it's me you're thinking of
And I'm your love
Tell it to the rain

Rain
And the stars that shine above
That it's me you're thinking of
And I'm your love
Tell it to the rain

Rain
And the stars that shine above
