You're just too good to be true
Can't take my eyes off of you
You'd be like heaven to touch
I wanna hold you so much
At long last love has arrived
And I thank God I'm alive
You're just too good to be true
Can't take my eyes off of you

Pardon the way that I stare,
There's nothing else to compare
The sight of you leaves me weak
There are no words left to speak
But if you feel like I feel,
Please let me know that it's real
You're just too good to be true,
Can't take my eyes off of you

I love you baby and if it's quite all right,
I need you baby to warm the lonely nights
I love you baby trust in me when I say

Oh pretty baby don't bring me down I pray
Oh pretty baby now that I found you, stay
And let me love you baby, let me love you

You're just too good to be true
Can't take my eyes off of you
You'd be like heaven to touch
I wanna hold you so much
At long last love has arrived
And I thank God I'm alive
You're just too good to be true
Can't take my eyes off of you

I love you baby and if it's quite all right,
I need you baby to warm the lonely night
I love you baby trust in me when I say
Oh pretty baby don't bring me down I pray
Oh pretty baby now that I found you, stay
And let me love you baby, let me love you
