Is this how it is
Weâ€™re fighting like kids again,
Oh darlinâ€™
Is this what we are
We scream until itâ€™s too far again yeah
I canâ€™t believe
Youâ€™re loving me
With a dagger in your hand
And I canâ€™t believe
I canâ€™t be free
When this ainâ€™t what I planned
Planned
Baby girl I stick you up
But you just cut me down
Cut me down
Cut me down
Cut me down
(Bad boy)
And girl how I tried to stick you up
But you just cut me down
Cut me down
Cut me down
You feel what you want
Except the pain thatâ€™s surrounding me
Oh darling
You take what you want
My soul ainâ€™t nothing to you itâ€™s free yeah
And I wonâ€™t survive
Iâ€™m not alive
When youâ€™re standing in my way
And I wonâ€™t survive
Iâ€™m empty inside
Iâ€™m crushed till I canâ€™t stay
Stay
Baby girl I stick you up
But you just cut me down
Cut me down
Cut me down
Cut me down
(Bad boy)
And girl how I tried to stick you up
But you just cut me down

Cut me down
Cut me down
You got me wishing I can never turn round
I look behind me and I'm leaving your town
Let me go go
Let me let me go
Let me go go
Let me let me go
Baby girl I stick you up
But you just cut me down
Cut me down
Cut me down
Cut me down
And girl how I tried to stick you up
But you just cut me down
Cut me down
Cut me down
