We got life, we got hope
We got things Iâ€™m sure weâ€™ll never know
We got so much to see
But life ainâ€™t putting you next to me
Am I sane, yes my dear
And like a wound thatâ€™s getting better from heal
All we want, be as friends
If we were ever soulmates
But I know that we will meet

[Chorus]

I wanna say thank you
Leaving me this way
I wanna say thank you, oho
Now thereâ€™s nothing left to say

Girl I still, think of us
But thinking only seems to make things worse
Through this break and your space
You expect everything I cannot trace
If you want, let you by
You would have been somebody else tonight
You would just took me one
You know youâ€™re gonna let you make it twice

[Chorus]

I wanna say thank you
Leaving me this way
I wanna say thank you, oho
Now thereâ€™s nothing left to say

Iâ€™m just wishing you, the best
Donâ€™t you slip out into something to forget
It ainâ€™t easy knowing he wonâ€™t disappear
Youâ€™ll find someone else as long as fish â€¦in the sea

[Chorus]

I wanna say thank you
Leaving me this way
I wanna say thank you, oho
Now thereâ€™s nothing left to say

Thank you
And I say, yes my dear
You're like a wound that's getting better from heal
Know we won't be as friends
If we were ever soulmates
Then I know that we will meet again
