I will stand tall  
Like an unconquered mountain  
Like an integrated fountain  
In the South  
If I fall  
I'll make my country proud  
I won't let this flag touch the ground  
'Cause it's a part of me

Free  
Like an eagle I will  
Spread my wings  
And embrace this American dream  
Like a soldier's last breath  
Like the heart in my chest  
You are part of me  
You are part of me

Freedom  
Don't you take it for granted  
Ask someone who ain't had it  
What they think  
And reasons  
As if you needed one  
I'll give you one million  
If you need  
'Cause it's a part of me

Free  
Like an eagle I will  
Spread my wings  
And embrace this American dream  
Like a soldier's last breath  
Like the heart in my chest  
You are part of me  
You are part of me

In a single moment  
In our darkest hour  
When our flag was burning  
Atop that second tower

In every living room  
There was living proof  
Of the price we paid for  
FREEDOM

Free  
Like an eagle I will  
Spread my wings  
And embrace this American dream  
Like a soldier's last breath  
Like the heart in my chest  
You are part of me  
You are part of me
