Cold hard rain  
Is dancing on my soul  
Riding a pale horse  
I'm knocking on Haiti's door

Cold hard rain  
Wild Texas flood  
Is rolling through my blood  
Is stronger than both of us

And I'm losing my mind  
I'm losing my mind this time  
I'm losing my faith  
Lord, give me strength  
To carry on

Cold hard rain  
Is pounding on my bones  
I'm humble when I'm stoned  
I'ma crooked when I'm straight

Cold hard rain  
Fallin' in and out of love  
I don't know who to trust  
What the fuck does that say about me, yeah?

And I'm losing my mind  
I'm losing my mind this time  
I'm losing my faith  
Lord, give me strength  
To carry on, help

And I'm losing my mind  
I'm losing my mind this time  
I'm losing my faith  
Oh Lord, give me strength here  
To carry on, ho, oh

And I'm losing my mind  
And I'm losing my mind this time  
I'm losing my faith  
Oh Lord, give me strength here

To carry on

Cold hard rain  
Is weighing on my soul
