Shake, shake, shake
Shake what you got
Shake what God give you baby
Until the break of dawn

Please, please, please
Get up on your feet
Finish what you started baby
'Cause I need some relief

She's like a religion, she'll make you testify

Do you love me or hate me tonight
Baby make up your mind
Let me come inside, don't leave me high and dry
If lovin' you's a crime, I don't want to be right
Do you love me or hate me tonight, to-to-tonight

You take, take, take
You take your time
You got me on my knees girl
But you ain't satisfied

You break, break, break
You break my heart
I ain't had a smoke in weeks
But you make me want to start

She's like a religion, she'll make you testify

Do you love me or hate me tonight
Baby make up your mind
Let me come inside, don't leave me high and dry
If lovin' you's a crime, I don't want to be right
Do you love me or hate me tonight

She's like a religion, she'll make you testify

Do you love me or hate me tonight
Baby make up your mind

Let me come inside, don't leave me high and dry
If lovin' you's a crime, I don't want to be right
Do you love me or hate me tonight, testify

Do you love me, do you hate me
(Make up your mind)
Love me, hate me
Do you love me or do you hate me
(Baby, make up your mind)
Love me, hate me, to-to-tonight
