Can someone take me, oh~
I gotta break free, oh~

Tossing and turning
Every night been tryin' to sleep
It ain't the rain against my window keepin' me
I look with anxiety I begin to shake
When I turn and look at your face, yeah

This ain't the way we started
Not how it's supposed to go
Nor did I ever feel you had your
Gone, let's do the show
Thought I was livin' a dream
But I was flyin' in a spider web
Thought I was livin' a dream, yeah

I'm on it, keep running
No, I'm caught in a spider web
I'm caught in a spider web, spider web
Wanna shout, can't get out
No, I'm caught in a spider web
I'm caught in a spider web, spider web, oh~

Can someone take me?
Can someone take me from this hell?
I gotta break free
I gotta break free for myself

I didn't reckon my plane thing
Can't help to get out
Screamin' as useless
When no one can hear you shout
It's just a matter of time before I break up
Break up, hardly been a mistake, yeah

This ain't the way we started
Not how it's supposed to go
Nor did I ever feel you had your
Gone, let's do the show
Thought I was livin' a dream
But I was flyin' in a spider web

Thought I was livin' a dream, yeah

I'm on it, keep running
No I'm caught in a spider web
I'm caught in a spider web, spider web
Wanna shout, can't get out
No I'm caught in a spider web
I'm caught in a spider web, spider web, oh~

Can someone take me?
Can someone take me from this hell?
I gotta break free
I gotta break free for myself
Can't get out (7x)

I'm on it, keep running
No, I'm caught in a spider web
I'm caught in a spider web, spider web
Wanna shout, can't get out
No, I'm caught in a spider web
I'm caught in a spider web, spider web, oh-woh

Can someone take me?
Can someone take me from this hell?
I gotta break free
I gotta break free for myself

Can someone take me? Oh~
I gotta break free, oh~
