hey look out for that moving van driving down our  
street  
you better lock up your man before he meats....  
chours  
the new girl in town who just came on the scene the  
new girl in town.(make up a verse)the new girl in town  
seems to dance on air shes got the coolest hair u  
better tell the bee to hold on to her crow n whoah  
whoah woah whoah  
or she's gonna loose him to the new girl in town

shes hip so cool i'm gonna get 'er after school but yet  
we liked to be like hercause shes the net that the cats  
reach for  
the new girl in town has my guy on her srean and look  
shes wearin his ring i guess im cryin before i was dyin
