As I glanced once upon the foam  
40 feet beneath my feet  
The coldest calm falls through the molten veins  
Cooling all the blood to slush, congeals around the  
brain

Oh, la la lala, la la lala, la la lala, la lala la  
La la lala, la la lala, la la lala, la lala la  
Oh, and forty feet remain

Salt scales upon my drying arms  
Burn my back beneath the sun  
But I am cold beneath the burning rays  
Looking down, looking down, down, down again

Oh, la la lala, la la lala, la la lala, la lala la  
La la lala, la la lala, la la lala, la lala la  
Oh, and forty feet remain

La la lala, la la lala, la la lala, la lala la  
La la lala, la la lala, la la lala, la lala la  
La la lala, la la lala, la la lala, la lala la  
La la lala, la la lala, la la lala, la lala la  
Oh, and forty feet remain
