You see her, you can't touch her  
You hear her, you can't hold her  
You want her, you can't have her  
You want to, but she won't let you

You see her, you can't touch her  
You hear her, you can't hold her  
You want her, you can't have her  
You want to, but she won't let you

She's not so special so look what you've done boy  
She's not so special so look what you've done boy  
She's not so special so look what you've done boy  
She's not so special so look what've you done

And now you wish she'd never, come back here again  
Oh never, come back here again

You see her, you can't touch her  
You hear her, you can't hold her  
You want her, you can't have her  
You want to, but she won't let you

You see her, you can't touch her  
You hear her, you can't hold her  
You want her, you can't have her  
You want to, but she won't let you

She's not so special so look what you've done boy  
She's not so special so look what you've done boy  
She's not so special so look what you've done boy  
She's not so special so look what you've done

And now I'm nailed above you  
Gushing from my sides  
It's with your sins that you have killed me  
Thinking of your sins I die  
Thinking how you let them touch you  
How you never realized  
That I'm ripped and hang forsaken  
Knowing never will I rise  
Again

You still see her  
Oh you hear her  
You want her  
Oh you want to

You see her  
You still hear her  
You want her  
You still want to
