Where were you
When I needed you
When I needed you
When I needed you

You were there
You were there
In your dark room
In your dark room

I see it all
In a reddish glow
I see the beautiful
I feel the tragedy fall

I feel perfection
In my chaos
Why is this happening here
Happening

In my dark room
In my dark room
In my dark room
In my dark room

The eyes are perfect
(Perfect)
The eyes are seeing it all
(Seeing it all)

Where is our story
Where's our love story
So now we're selling, our dreams
Oh yeah we're selling our dreams to you all
