I wanna live alone  
Because the greatest love is always ruined by the  
bickering  
The argument of living  
I wanna live alone  
I could be happy on my own  
Rest of my life  
With the vaguest of feeling  
I...

Wherever you are  
Whoever is there  
You'll know that I'll be here  
I'll be here  
Wishing I could be there

Wherever you are  
Whoever is there  
You'll know that I'll be here  
I'll be here  
Wishing I could be there

So I'm gonna live alone  
I'm not saying that our love is the greatest  
But I'm in love with you  
Wanna stay in love with you

So I'm gonna live alone  
Yeah, I'll be happy on my own

For the rest of a life  
With the vaguest of feeling  
I...

Wherever you are  
Whoever is there  
You'll know that I'll be here  
I'll be here  
Wishing I could be there

New York City  
When I get in taxi

I said, "man" to driver  
He said, "man,"  
"Oh, I can imagine having drink with that guy,"

He's alright  
Oh, he's alright  
He's alright  
Yeah, he's alright  
He's alright

Wherever you are  
Whoever is there  
You know that I'll be here  
I'll be here  
Wishing I could be there  
Wherever you are  
Whoever is there  
You know I'll be here  
Wishing I could be there
