"Sorry Angel"

(feat. Jane Birkin)

Sorry angel, dÃ©solÃ©

I sent you to suicide, lover
I wasn't worth the pain
Without me, you decided, lover
On the voyage of the vain

Sorry angel, dÃ©solÃ©

Was it some dark vertigo, lover?
Drawing you to pain
Drawing you to loneliness, lover
The voyage of the vain

Sorry angel, dÃ©solÃ©

I tried everything, lover
It wasn't worth the strain
Fate led us onwards, lover
Remorseless in vain

Sorry angel, dÃ©solÃ©

I sent you to suicide, lover
Opened up the vein
So you're an angel, lover
Forever
