So if you're lonely
You know I'm here waiting for you
I'm just a crosshair
I'm just a shot away from you
And if you leave here
You leave me broken, shattered, I lie
I'm just a crosshair
I'm just a shot, then we can die

I know I won't be leaving here with you

I say don't you know
You say you don't know
I say... take me out!

I say you don't show
Don't move, tide is low
I say... take me out!

I say you don't know
You say you don't know
I say... take me out!

I know I won't be leaving here (with you)
I know I won't be leaving here
I know I won't be leaving here (with you)
I know I won't be leaving here with you
