Yeah

It seems this boy bathed in ridicule
Too forward, way too physical
It's time that I had another

I'm always wantin' more, if there's another one
Give me some more, I'll have another one
I'll have a slice of your mother

An' this boy's so spectacular
Not a boy, but a wealthy bachelor

I want a car, I want a car, yeah
I want a car, I want a car, yeah

I see losers losin' everywhere
If I'll lose, I'll only lose the care
That I might have for another

I am complete, invincible
If I have one principle
Then it's to stand on you, brother

This boy's so spectacular
Not a boy, but a wealthy bachelor

I want a car, I want a car, yeah
I want a car, I want a car, yeah

I want a, I want a, I want a
I want a, I want a

Want a, want a, want a

I want a car, I want a car, yeah
I want a car, I want a car, yeah

If I like cocaine, I'm racing you
For organic fresh Echinacea
One kick's as good as another

If I'm tired, I'm tired of telling you
I'm never tired, I'm always better than you
Bye boy, run to your mother

An' this boy's so spectacular
Not a boy, but a wealthy bachelor
Oh, yes I am spectacular
Not a boy, but a wealthy bachelor

I want a car, I want a car, yeah
I want a car, I want a car, aha
I want a car, I want a car, yeah

I want, I want, I want, I want
I want, I want, I want, I want
