Eyes, boring a way through me
Paralyse, controlling completely
Now there is a fire in me
A fire that burns

This fire is out of control
I'm going to burn this city
Burn this city
This fire is out of control
I'm going to burn this city
Burn this city
This fire is out of control
I'm going to burn this city
Burn this city
This fire is out of control
I'm going to burn it, I'll burn it
I, I, I'll burn it down

Eyes, burning a way through me
Overwhelm, destroying so sweetly

Now, there is a fire within me
A fire that burns

This fire is out of control
I'm going to burn this city
Burn this city
This fire is out of control
I'm going to burn this city
Burn this city
This fire is out of control
Then I, I'm out of control
And I burn,

Oh, how I burn for you
Burn, oh how I burn for you
Burn, how I
Burn, how I
Burn, oh how I...

This fire is out of control,
I'm gonna burn this city,

Burn this city...
