Oh well, that was easy, waiting
Everything's easy now
And the days are, oh, so normal

But, oh Hannah, how I miss you
Oh, Hannah, how I miss you
Oh, Hannah, how I miss you, now
N-n-now, n-n-now, n-n-now, n-n-now
N-n-now, n-n-now, n-n-now

I used to lock myself in your bathroom
Swallowing the Codeine kept for your back
Numb, so numb, I'd let your words come, and come

Ooh, so come, come on, come
Come on kill me now, kill me now, kill me now
'Cause I'm leaving you now

That was easy, but how I miss you
That was easy, but I still miss you
That was easy, but how I miss you now
Now, n-n-now, n-n-now, n-n-now
N-n-now, n-n-now

I watched you clean the filth off your phone dial
Swallowing the things your finger picked up
Tongue, your tongue, I'd watch your tongue licking on

Ooh, so come, come on, come
Come on kill me now, kill me now, kill me now
'Cause I'm leaving you now

That was easy, but how I miss you
That was easy, but how I miss you
That was easy, but how I miss you, now

That was easy, but I still miss you
That was easy, but I still miss you
That was easy, how I miss you, now

That was easy, but I still miss you
That was easy, but I still miss you

That was easy, but I still miss you
