Good evening and welcome
Would you like an aperitif?

May we recommend
The Disinformation Beef?

We do our very utmost
To meet all your demands

Just sit back and enjoy
While we wash our dirty hands

Feed your hungry eye...

Propaganda pie
Have a slice of lie
Propaganda pie

We serve the only version
The daily six o'clock buffet

We edit your dinner
Cut the improper parts away

Special flavorings
Make sure you stay obedient

Nothing is more efficient
Than a tampered ingredient

Try!
The propaganda pie
Have a slice of lie
Propaganda pie

How about some desert?
More manipulated wine?

We got the most delicious cake
To send shivers down your spine

It's got a funny smack

And the icing is malign...

Try!

The propaganda pie

Have a slice of lie

Propaganda pie
