Hey, what's going on?  
Drool before I'm gone  
Waste some precious time, you know

Sure I'm looking good  
Don't you think I would?  
I got Cindy Crawford's video

Go and get the blow  
I know where to go  
Coolest place you ever seen

Maybe we can dance  
In a bathroom romance  
To a ballad of East 17

Try some ecstasy  
Get as dumb as me  
Read even Sting's a fan

Rave 'til the end  
Invent another trend:  
Mandela joins the Ku Klux Klan

Any way the wind blow  
I swallow everything!  
Any way the winds blow  
I'll sing the words you sing!  
That is how the story goes  
Consume 'til I get sick!  
Any way the winds blow  
Proud to be plastic!

Prozac with tea  
One happy family  
Still remember how to laugh

Dad gets Mommy wet

With porno on the Net  
My brother spits his guts in half

I don't really care  
Gotta do my hair  
To get Eddie Vedder's autograph

I am V.I.P  
You can come with me  
Just get another pair of shoes

We can rob a bar  
Then we steal a car  
Smoke someone and we'll be news

Show me you're romantic  
Let me your chick  
Shoot some dude to prove you're mine

Show me you're romantic  
Let me your chick  
Send shivers down my teenage spine  
Any way the wind blow  
I swallow everything!  
Any way the winds blow  
I'll sing the words you sing!  
That is how the story goes  
Consume 'til I get sick!  
Any way the winds blow

Proud to be plastic!
