[Do what you feeeeeeeel]

See, my name is Freak Nasty and I likes to have fun; at the same time I

gonna keep it real. I'm gonna do what I feel. So this song goes out to

everybody who likes to have fun, keepin' it real, so no matter what you

do, and how you do it, just do what you feel.

[Let's do it]

[Do what you feeeeeeeel] You can do it like that

[Do what you feeeeeeeel] From the front to the back

[Do what you feeeeeeeel] Or you can touch me right there

[Do what you feeeeeeeel] 'Cause I don't really care

It's on, one more hit, baby

Lemme see you get low and dip, baby

Worldwide, young and old, snap them fingers, tap them toes

I'm back with another round, puttin' it down,

Speakin' my mind and layin' it down

C'mon, do what you feel, girl, let loose for real, girl

Just move your body, rock your body,

Don't you worry 'bout nobody

Y'all fellas go on and get up on it,

'Cause you know she really want it

It's all about havin' fun, it's all about keepin' it real,

It's all about havin' fun, keepin' it real, doin' what you feel!

[Let's do it]

[Do what you feeeeeeeel] If the feelin' is right

[Do what you feeeeeeeel] You can work it all night

[Do what you feeeeeeeel] You can do it from the side

[Do what you feeeeeeeel] Come on, baby, let's ride

Dance to the rhythm, da-dance to the beat now

Break it down, lemme see you get down now

Who said the party's over? It just got started when I took over

Yeah, now wave your hands in the air

>From the left to the right like you don't care
C'mon, it's the one and only Freak, Nasty as I wanna be
Shake it up, baby, shake it down
I wanna see you shake it when I come to your town
On the floor and dip, honey, no need to trip, honey
It's all about havin' fun, it's all about keepin' it real,
It's all about havin' fun, keepin' it real, doin' what you
feel!
[Let's do it]

[Do what you feeeeeeeel] You can work that thang slow
[Do what you feeeeeeeel] You can work it down low
[Do what you feeeeeeeel] I like the way you move it fast
[Do what you feeeeeeeel] The way you shake that UHH!

Here we go, with Lil Mo, freakin' his hair from back do'
Yo, people in the front, yo, people in the back
Show me where your heart is at
Just do what you feel, don't be ashamed
'Cause bein' real is the name of the game
Do your thing, please yourself,
'Cause it's hard pleasin' everybody else
First of all I'm gonna please me, the one and only Freak
Nasty
I tell you now, I never sneak,
'Cause ain't nothin' wrong with bein' a freak
And girls, that's me 'till the day I die
A straight up brother, but a lil' shy
It's all about havin' fun, keepin' it real, doin' what you
feel, come on ...
[Let's do it]

[Do what you feeeeeeeel] I can do it like that
[Do what you feeeeeeeel] C'mon c'mon c'mon c'mon
now baby ...
[Do what you feeeeeeeel] From the front to the back
[Do what you feeeeeeeel] Do what you feel, girl ...

I'm on a roll, don't get behind; if you missed it, just
press rewind
Do whatever, do what you're gonna do
Whatever it is, you gotta be true
Gotta be real and do what you feel, be king or queen of
your own hill
I'm makin' music for everyone, so everybody can have
a lil' fun
I'm comin' hard, I'm comin'n soft, girl
How you want it? 'Cause I'm 'bout to go off
It's gettin' heated, I'm about to sizzle
People to the right, even in the middle
People to the left, to the front, to the back

Do what you feel, yeah, I like it like that
Yeah, from me to you, just keep it real
(Too sweeeeeeet!) Y'all know the rest
[Let's do it]

[Do what you feeeeeeeel] I can work it nice and slow
[Do what you feeeeeeeel] I can work it down low
[Do what you feeeeeeeel] I can work that body fast
[Do what you feeeeeeeel] I like how you move that ask
me no
questions, I'ma tell you no lies!
