{Everyt'ing you want}

{Everyt'ing you want}

{Everyt'ing you want}

Yeah, yeah, Shay, you gon' hit that hoe first.

Get on that hoe, Shay! Yeah!

Verse 1: AK Shay

Hey miss lady, what you gon' do?

I got a lil' somethin' I wanna ask you

Word around town, you're a nympho

Won't you suck my dick, and suck it slow, uhh

Lick it, go straight to the hotel

Can't stay wet, you don't need no gel

Damn, girl, I heard you're a freak

I'ma fuck ya ass 'till the end of the week

A girl like you, I know you ain't shy

Cut ya ass up like you're cuttin' a pie

Bend it up nice and turn it up right

Like the feel of rubber, gettin' fucked all night

You must like it slow, uhh, so gimme slow head

Let's fuck on the floor, I'm tired of the bed

If I call my crew, you'll fuck them too, huh?

{Everyt'ing you want} Ahhh yeah!

Freak Nasty:

Check this out, baby, what about fuckin' me and my girl? {Everyt'ing you want}

See, I like to hit it from the back, can I do it like dat? {Everyt'ing you want}

What about fuckin' my boy Devo, would you do that? {Everyt'ing you want}

What about me fuckin' you and you suck my boy' dick? {Everyt'ing you want}

Ohh - AHH YEAH!

Verse 2: Freak Nasty

You say everything I want, anything I need

When we first hooked up, you was eager to please

Now it's Hold up, freeze!, you straight-up tease

You want a nigga like Freak on his knees?

What's up your sleeves? Tricks, I seen,

Got a nigga on prime time live TV

Just you and me and your cousin Trina

Live on the set of Jerry Springer

I was glad to meet her 'till I shook her hand:

I found out your cousin was really a man!

Nigga (???) givin' you the bone,

Fuck that shit, you shoulda' stayed at home

Told me on the phone, you and I were alone

But I got a surprise of my very own

Yo Simone, tell your daughter what you gon' do!

{Everyt'ing you want} Fuck yo' mama, bitch!

Freak Nasty:

Check this out, baby, what about some anal action?

{Everyt'ing you want}

You know how I like that real sick, huuuuuhhhh!!!

{Everyt'ing you want}

Uh huh, what about yo' girlfriend and my girlfriend?

{Everyt'ing you want}

What about, them two and my boys? {Everyt'ing you want} I'm a freak.

Verse 3

[F-Nasty] My place or yours? Your place or mine?

I got the Dom P and 69

You're one of a kind, I'm a hell of a freak

I wanna work that ass until you speak

If ain't you Greek, I can make you shine

You better get yours before I get mine

I love to grind, baby, say my name

Freak Nasty, all in that thang!

[AK Shay] Now here we go, you silly hoe,

Lick from my head down to my toes

(????) inside, I fuck all the time,

I got mo' heart than a valentine

I fuck all night, I fuck all day

By the way, I'm AK Shay

Oh, you glad to meet me? Bitch, come freak me!

{Everyt'ing you want} Oh, shit!

Don't tell me that, girl, my dick' gettin' hard
