[Chris Ward]

You better learn, what you can learn  
Get your hustle on, nigga earn what you can earn  
I don't give a fuck, nigga that's my concern  
I got gun powder that'll burn through your sherm, burn  
through your perms  
Burn through your braids, burn through your fades  
Burn through your hair crease, burn through your  
waves  
Burn through your fly Unisex, Gucci shades  
Burn through your swisher sweets, filled with purple  
haze  
Burn through your chest, and your flesh for days  
Turn and chop you niggaz up, like 20 inch Blades  
(sh-sh-sh-sh), just like Blades nigga uh  
You see I'm back, like I'm homesick  
Like the motherfucking booth, was my home trick  
And it's like I, never been up out of the house  
That's why when I spit, it's nothing but real shit coming  
up out of my mouth  
I can't help it nope, not at all  
I'm just a real nigga, you are not at all  
I'm in a Porshe Kayan, the color of Kayan  
But the seats the same color, as the beach as dry sand  
C-Wigga, the G-R-A-V-E digger  
You know me nigga, you know me nigga

My click's thick, we are too deep  
We are too street, in Benzes with two seats  
Strapped with two heats  
We old school veterans, you niggaz ain't nothing but  
blue feet  
Like Jolly Ranchers, whatever the flavor is  
M-m-m, you bitch ass niggaz is too sweet

[Slim Thug]

You can break up the shit, hit the block and get grands  
This here pure co-can, straight from the dope man  
You want a hit get close, so I can give you a dose  
I got the best work, on the Dirty South coast  
I'm Slim Thug, the same dude at the club  
On spinners 4-4 inches, wider than Dubs

Everybody show me love, when I step in  
And respect the set, a nigga repping  
I pack a strap, but I don't even need a weapon  
If I don't like ya, I just beat ya with the left hand  
I keep a dime chick with me, all the time  
The baddest chick that you see, yep she's mine  
I guarantee I done hit it, if she cute and fine  
And that's in or out, the Texas state line  
When the Boss hit the do', be easy  
You now hearing Slim Thug, and C-Weezy bitch
