[Hook - 2x]

Showing trunk glowing, while I flip through the hood  
Big diamonds shining blinding, while I'm gripping my  
wood

Showing trunk glowing, while I flip through the hood  
Straight up-straight up out of Texas, straight up-  
straight up out of Texas

[Kyleon]

I pull up looking good, hand on that wood sturning  
I got that purple po'd, and I got that good burning  
I think and then I pull, yeah nigga that's how you  
learning

I got them Tyra banks, yeah nigga I am earning  
My money long, I'm talking football fields  
Nigga that's big bread, like I got a football deal  
Or contract, whatever y'all call it

Let me insinuate, that nigga Kyle balling  
Yeah that's why Kyle crawling, off in that big body  
I got that top falling, 4's stick out it  
You get a penny for your thoughts, Killa get stacks  
I eat till I'm obese, so I sit fat nigga

[Hook - 2x]

[PJ]

What's the deal motherfuckers, hell yeah bitch I'm back  
Tipping down the boulevard, in a Fleetwood Lac  
Got the fifth falling trunk popping, acting bad on the  
cops

Candy blue paint, hoes bopping in the parking lot  
Sitting sideways, purple stuff got me leaning  
All these diamonds on my neck, hell yeah my shit  
gleaming

I'm a Boss Hogg Outlaw, I'm a Boy N' Blue  
The Rap Hustler dick sucker, who the fuck are you  
Making change doing my thang, hogging in that  
turning lane

Pimping hoes tipping 4's, pulling up on them swangs  
Ain't no simping in my pimping, ain't no whack off in  
my mack

Make these hoes break theyself, when I pull up in the  
Lac

[Hook - 2x]

[J-Dawg]

We rolling 84's, homie

When you see me poking out, I'm repping for the whole  
block

Behind tint sipping purple drank, smoke inside with G's

Got the rolls still strapped up, big chrome desert eag'

Wood grain gripping, H-Town representing

Them boys looking mad, hate to see a Hogg winning

In a blue line, Northside coming down

Out the roof throwing gang signs, bitch I'ma shine

Banging Big H.A.W.K., a real nigga real talk

God gotta have a plan, but that's real big loss

We gon hold it down though, represent your name

Bang Screw good bang, stay loyal to the game

[Hook - 4x]
