I can't get caught with the dirt that's in the air  
the b!tches in my hair  
or those nigg@s over there  
I swear commnication skills being best  
so I don't wear no armor on my chest  
God bless my soul  
having to get a 100 yrs. old  
stable mind fool body control good as gold  
sippin henj  
yeah I'm sippin hen what you thought  
that sh!t will get sold that sh!t will get bought  
I thought  
that real nigg@s understood the hustle  
but yet you wanta get paid  
out and in between the struggle  
my mother  
my friend to the got d.amn end  
cause sometime your kin  
will do your a\$\$ in  
my friend my foe my woman my hoe  
if the shoe fit yo toe  
just as long as you know who you be

Keep your mind be strong  
you can't be to impatient  
the government is hatin  
them sticker boards is waitn by your ride  
you tired of the way that life is treating you  
your personal life is f\*cked up

I got hang up let downs bad breaks set backs

chart took my check back  
hopin I'm a sweat that  
less that  
other finacial helps come through  
I'm a countine doin what i do stand true  
within my heart I had it plan from the start  
playin the cart just only trying to do my part  
all I can say is that the LORD must of bless me  
cause comin up  
I know that the streets did test me  
from 16 yrs. old we flowed  
and blewed joes with  
nigg@s who were cold  
but old and know Moses  
I had to make my own path through my math  
understand that I had to be sad before  
I'm glad  
see life play tricks on your mind  
you got to fight it  
or else you just a bumb waitng to get egnighted  
I write it  
but also I live it and i'm a get it  
straight to the @ss and make sure my people  
feel it

#### Chorus

Who said making money easy  
sho nuff if it's illegal  
i'm trying to roll a got d@mn benz  
up out this regal  
the season keep passing my  
stuck in the cold  
no transportation to role  
my clothes is old  
the devil is trying to make me believe  
that I need  
what the nexst man got in order for me to achieve yes  
indeed  
close your grip or else fall  
cause the only one catching you @ss  
gone be the walls  
see time never waits for one who sits still  
but some take they hole d@mn life to get real  
I chill  
do my own d@mn thing
