Well, you're all dressed up

And then you had some place to go
Yeah, you waited so long just to get into my show

[CHORUS]

Don't you know that you're not invited?
Don't you know that's why I like it?
Backstage, there's no backstage for you
Because backstage, there's not enough room for you

You waited to the left, saw em',
Then, you made your move
And you're telling all your friends
That I wouldn't talk to you, no

So, you look so foxy
Yeah, your band plays something new
And you're telling all your friends
That I wouldn't talk to you, no

REPEAT CHORUS

Backstage (4x)
