never thought i'd say im sorry
never thought i'd be the one to bring ya down
now when i look out my window
but there doesnt seem to be anyone around

and i, i think i'll change my ways
so all your words get noticed
tomorrows a brand new day
tomorrows a new day

we said we'd take a little time
for both of us to see
and wonder what it'd be like to carry on
yea i know i got crazy
well i guess thats just me
if i could turn back time before the wrong

and i, iiiiiiiiiiiiii think ill change my ways
so all your words get noticed o yea
tomorrows a brand new day
tomorrows a new day

and i, iiiiiiiiiiiiiiiiiiiiiiiii, i think i'll change my ways
iiiiiiiiiiiiiiiiiiiiii, so all your words get noticed o yea
i think i'll change my ways
i think i'll change my ways iiiiiiiii
i think i'll change my ways

never thought i'd say im sorry
never thought i'd be the one
