imagine me and you, i do
i think about u day and night
its only right
to think about the girl u love
and hold her tight
so happy together

if i should call u up
invest a dime
and u say u belong to me
and ease my mind
imagine how the world could be
so very fine, so happy together

i can't see me loving nobody but u
for all my life
when your with me
baby the sky's will be blue
for all my life

me and you, and you and me
no matter how they toss the dice
it has to be
the only one for me is you and you for me
so happy together

if i should call u up
invest a dime
and u say u belong to me
and ease my mind
imagine how the world could be
so very fine, so happy together

i can't see me loving nobody but u
for all my life
when your with me
baby the sky's will be blue
for all my life

call you up
ease my mind
ease my mind

EASE MY MIND

i can't see me loving nobody but u
for all my life
when your with me
baby the sky's will be blue
for all my life

so happy together
so happy together
so happy together
so happy together
