And I wonder if you ever think about me anymore
And I wonder if you ever think about me when your
bored
And I wonder if you ever think about me when you're
hangin' in New York

And I wonder if you still think Bono writes his songs for
you
And I wonder if the reasons why you left me were
untrue
And I wonder if you give him better blow jobs than the
ones I got from you

Because...
Girl you mean
So much to me
I wish that we..
Could start it over, start it over
I don't need your sympathy or apologies
Still I'm staring in my coffee cup at six A.M.
And I cannot give.. up

And I wonder if you're happy or just glad to see me
scarred
Took my drunken self-confession sober up your
bleeding heart
I am bending over backwards to get close to you but
still I feel so far

Because...
Girl you mean
So much to me
I wish that we..
Could start it over, start it over
I don't need your sympathy or apologies
Still I'm staring in my coffee cup at six am
And I cannot give.. up

Girl you mean
So much to me
I wish that we could start it over
I don't need your sympathy or apologies

....anymore

Girl you mean
So much to me
I wish that we..
Could start it over, start it over
I don't need your sympathy or apologies
I just want you here with me
