i'm about to lose control

i, i dont know why  
why, you need some reason to feel lost inside  
you, you no that im alright  
you know that im just the kind of girl that feels so hurt  
and smiles

i dont do excuses  
i dont ask why  
its just a breakdown  
it happens all the time  
so yell in my face  
dont even try  
you want to help me  
just let me cry

ya, i love you all my life  
you dont even know one thing i feel inside  
know, by the look in my eye  
that im just trying but i might need you to hold me tight

i dont do excuses  
i dont ask why  
its just a breakdown  
it happens all the time  
so yell in my face  
dont even try  
you want to help me  
just let me cry  
i dont do excuses  
i dont ask why  
its just a breakdown  
it happens all the time  
so yell in my face  
dont even try  
you want to help me  
just let me

i had a bad day, ill cry if i want to, cry if i want to cry  
i had a bad day, ill cry if i want to, cry if i want to cry  
i had a bad day, ill cry if i want to, cry if i want to cry

i had a bad day, ill cry if i want to, cry if i want to  
just let me cry  
let me cry and cry  
im breaking down  
im breaking down  
just let me cry

i dont do excuses  
i dont ask why  
its just a breakdown  
it happens all the time  
so yell in my face  
dont even try  
you want to help me  
just let me  
i dont do excuses  
i dont ask why  
its just a breakdown  
it happens all the time  
so yell in my face  
dont even try  
you want to help me  
just let me cry
