you're the kinda friend who always bends when i'm
broken.
like remember when
you took my heart and put it back together again?
i've been wastin time with numerous guys but now its
over,
let me tell you why:
i'm through
i've got someone new who's just like you....

you're it.
you're the ultimate.
it's automatic i'm sure of it and no lie.
so don't even try to tell me that you're not the guy.
cos i've been waitin all my life
for someone just like you
you're it...you're the ultimate you.

you're the kinda guy whose hand's in mine.
you send shivers up and down my spine.
you took my heart and put it back together again.
you're the kinda guy who blows my mind
and now it's my turn.
you've been right in front of me,
everything i need,
why didn't i see?

you're it,
you're the ultimate.
it's automatic i'm sure of it and no lie.
so don't even try to tell me that you're not the guy,
cos i've been waitin all my life
for someone just like you
you're it...you're the ultimate you.

you're it,
you're the ultimate.
it's automatic i'm sure of it and no lie.
so don't even try to tell me that you're not the guy.

you're it,
you're the ultimate.

it's automatic i'm sure of it and no lie.
so don't even try to tell me that you're not the guy,
cos i've been waitin all my life
for someone just like you
you're it...you're the ultimate you.

you're it...you're the ultimate you.
