What I like about you
You hold me tight
Tell me I'm the only one wanna come over tonight
Keep on whispering in my ear tell me all the things I
wanna hear
Cuz its true thats' what I like about you
That's what I like about you

What I like about you
You really know how to dance
When you go
Up
Down jump around
Talk about true romance
Keep on whispering in my ear tell me the things I wanna
hear
Cuz its true that's what I like about you
That's what I like about you
That's what I like about you
That's what I like about you

Hey uh uh huh

What I like about you
You keep me warm at night
Never wanna let you go
You know you make me feel alright
Keep on whispering in my ear tell me the things I wanna
hear
Cuz its true that's what I like about you
That's what I like about you
That's what I like about you
You you you
That's what I like about you...
