Two of your best friends begged to be f\*\*\*d and  
s\*\*\*d, for me  
U were too busy reading this f\*\*\*ing books that u  
couldn't see  
By the way one of them ask me to go sleep in her bed  
She doesn't really give a s\*\*t if maybe you would be  
sad

What happen?  
U false bitch  
U choose them!  
Now get sick

You chose those false bitches like you and they were  
cheating on you  
Then you come back crawling you f\*\*\*in' liar weeping  
what should I do?  
Why didn't u f\*\*k trust me? It's your time to suffer and  
cry  
U realized that without me you're gonna get sick and  
die

What happen?  
U false bitch  
U choose them!  
Now get sick

Just so you know  
Now you found out the true  
I gotta go  
And I won't forgive you  
You got your chance  
Screwed up with your choices  
You can't change  
Your friends lost their voices  
Now you can feel  
You'r going slowing to die  
This is for real  
I'm sick tired of your lies  
Must say to them  
I'll get my evil revenge  
I'm true man

You bastards can't be fancy

What happen?

U false bitch

U choose them!

Now get sick

You chose those false bitches like you and they were  
cheating on you

Then you come back crawling you f\*\*\*in' liar weeping  
what should I do?

Why didn't u f\*\*k trust me? It's your time to suffer and  
cry

U realized that without me you're gonna get sick and  
die
