He is almost twenty four
Live with mom and dad can't close bedroom's door
She is just only eighteen
Even so she is the smartest girl I've ever seen

Hey stupid boy
Did you dump that girl?
She is not a toy
Hope she gives you hell

Hang out with your friends
How you used to do oh leave this girl for me
well, Would you understand?
She'll show some stuffs tonight I can't wait to see

Hey stupid boy
Did you dump that girl?
She is not a toy
Hope she gives you hell

Little boy don't even cry

She found out a real man I'm all over her mind
and I bet you wanna die
it's too late to cry now because that girl is mine

Hey stupid boy
Did you dump that girl?
She is not a toy
Hope she gives you hell

You play the stud
but you're just such a child
She understood
Just figured out she is so so wild

Hey stupid boy
Did you dump that girl?
She is not a toy
Hope she gives you hell

Hey stupid boy

Did you dump that girl?
She is not a toy
Hope she gives you hell
