(Ooooh-oooh-oooh-oh-oh!  
Ooooh-oooh-oooh-oh-oh! )

Damn you Hollywood you got me good  
You made me think that I understood  
People and places that don't exist  
Now tremble in my wake because I'm shaking my fist at  
You  
None of these memories are mine  
You put them in my mind and the far side of the world  
Now everything that happens is a sign  
There is no plot and there sure is no girl

Oh, we need to work it out  
Out from what we've seen  
Seeing that the story's not  
The story of the screen  
This technicolour mess  
Well, it's not what you came for

(Ooooh-oooh-oooh-oh-oh! )  
Alright stop, this cannot possibly be  
(Ooooh-oooh-oooh-oh-oh! )  
Alright stop, this cannot possibly be

Caught in the light of your big blue screen  
No good reason to suspect anything  
Always in the sunshine, always in the clean  
Don't know what it is, there's something unsure about  
You  
None of these memories are mine  
You put them in my mind and the far side of the world  
Now everything that happens is a sign  
There is no plot and there sure is no girl

Oh, we need to work it out  
Out from what we've seen  
Seeing that the story's not  
The story of the screen  
This technicolour mess  
Well, it's not what you came for

(Ooooh-oooh-oooh-oh-oh! )  
Alright stop, this cannot possibly be  
(Ooooh-oooh-oooh-oh-oh! )  
Alright stop, this cannot possibly be

(Ooooh-oooh-oooh-oh-oh!  
Ooooh-oooh-oooh-oh-oh!  
Ooooh-oooh-oooh-oh-oh!  
Ooooh-oooh-oooh-oh-oh! )
