Fucks fat ass {\*cough\*} nasty dirty niggaz, uh  
FILTH, shit! Fuckin filth! Yeahh  
LA LA LA, la la la la, la LA!

[Proof]

Aiyyo - my style bust holes in the earth, crush the crust  
by the dirtiest, heathen specialize in stoppin breathin  
My legion'll bleed man - what do you believe in?  
(Heaven and Hell) Make your grill swell, it ain't hard to  
tell  
I work spells, all wicked like Gargamel  
Put (?) hand first, the red bursts another victim

[Bizarre] Nah man, let the morgue pick 'em

[Eminem]

Cancel the hash shit, I'm fillin my glands full of acid  
Two hands full of ass dancin with Angela Bassett  
Make plans for the casket, your head lands in a basket  
A dead man's in the plastic, I got red hands and the  
mask fits  
(Yeahhh Em) Fuckin rap pervert, I serve dirt  
My sick thoughts get all mixed up like rainbow sherbert  
Get every nerve hurt - spot a mic and walk toward it  
My whole click'll beat yo' fuckin ass and camcord it

[Bizarre]

Somebody hide me, too many hoes on my dick  
Smoked all your "Hay," who wants to start the Crucial  
Conflict?  
I'm the big daddy smokin blunts in Cali  
Ill enough to do a driveby on a stay in school rally  
Stop stop knockin cause ain't nobody there  
Hoes with AIDS - I still fuck BARE!  
Cause I, I just don't care  
Ill enough to fuck up, all yo' dental care  
When Bizarre kid comes through, you better yell  
mayday  
While you was havin "Good Times," I +dyno-mite+ Kujo  
and J.J.

[Kon Artis]

HAHA, yeah yeah bitch!

I get helmet from stank crackheads

And read my kids horror stories when I lay 'em to bed

Ridin bikes butt-naked, gettin frisked by policemen

FUCK Christmas - this is take your gift season

Beatin kids up for no reason, take lunch boxes and all

Gettin high off mushrooms and play, "A Friendly Game of Dodgeball"

BITCH! YEAH! Aiiyo..

[repeat to fade]

You're battlin the Dirty Dozen, that don't pay

You god damn right punk, stay outta my way
