If I should suddenly start to sing,  
Or stand on my head, or anything,  
Don't think that I've lost my senses,  
It's just that my happiness finally commences!

The long, long ages of dull despair  
Are turning into thin air,  
And it seems that suddenly I've  
Become the happiest man alive.

Things are looking up.  
I've been looking the landscape over,  
And it's covered with four-leaf clovers.  
Oh, things are looking up  
Since love looked up at me.

Bitter was my cup,  
But no more will I be the mourner,  
For I've certainly turned the corner.  
Oh, things are looking up,  
Since love looked up at me

See the sunbeams?  
Every one beams  
Just because of you.  
Love's in session  
And my depression  
Is unmistakably through

Things are looking up,  
It's a great little world we live in.  
Oh, I'm as happy as a pup  
Since love looked up at me.
