I'm holding you tight
I feel that you're close but yet so far
Say what's on your mind
Cause sometimes I wonder where you are
Wherever you go, whatever you do
I'll always be there watching out for you
Just tell me the truth cause
I think that we both deserve to know.....

If you believe in love
Then let it show
If you want someone
Just let them know
If you believe in love
Then let it show
If I'm not the one
Just let me know....

Oh oh
Just let me know
Oh oh
Just let me know

So open your heart
Or give me the key that I'm looking for
I'm falling apart
So please let me in through that secret door
Wherever you go, whatever you do
I'll always be there watching out for you

Just tell me the truth cause
I think that we both deserve to know

If you believe in love
Then let it show
If you want someone
Just let them know
If you believe in love
Then let it show
If I'm not the one
Just let me know....

Oh oh.....
Just let me know
Oh oh
Just let me know

All I want is for you to understand
This crazy battle going on inside this man
Don't let our love, just slip right through our hands...
Oh oh

If you believe in love
Then let it show
If you want someone
Just let them know
If you believe in love
Then let it show
If I'm not the one
Just let me know....
