"Cha Say"

Can'tcha say you believe in me?
Can'tcha see what you mean to me?

Everyday I think of you,
You're on my mind.
Some things in the past
Are better left behind.
Every night I dream of you,
The images as clear as day.

(chorus)

Can'tcha say you believe in me?
Can'tcha say you believe in me?
You know that where there's a will there's a way.
Can'tcha say you believe in me?
Can't you see what it means to me?
Don't leave me alone tonight,
'Cause I still love you.

We've had our time apart
And I knew right from the start
I could never change
The way I feel about you baby.
We can sit here all night long
And separate the right from wrong
But love won't wait.

(chorus)
