A definite goodbye until we say goodbye
A definite goodbye

Can't be together, we can't be apart
Tried to get it right with a brand new start
I really thought we will stick till the end
But some things are never meant

Let me stay for a while
Let me lay down by your side one last time
Let me cry one more tear
Let me hold you in my arms until we say goodbye

A definite goodbye until we say goodbye
A definite goodbye

Right now I can't see a life without you
I don't know where I am, I don't know where to go
Our love is too deep, we cannot be friends
So this is where it all ends

I know tomorrow there's a new day
That separation is the best way
But all good moments are worth fighting for
So hold me just once more

Let me stay for a while
Let me lay down by your side one last time
Let me cry one more tear
Let me hold you in my arms until we say goodbye

A definite goodbye until we say goodbye
A definite goodbye

I give you a kiss for moments like this
We don't need to speak to know what we're gonna miss
I'm holding you tight and after a while
We can't stop our tears from falling

Let me stay for a while
Let me cry one more tear
(Until we say goodbye)

Let me stay for a while
Let me lay down by your side one last time
Let me cry one more tear
(One more tear)
Let me hold you in my arms until we say goodbye

Let me stay for a while
Let me lay down by your side one last time
Let me cry one more tear
Let me hold you in my arms until we say goodbye
