*[Intro]*

I don't know what it is but I think I'm falling in love  
I don't know what it is and I sure don't know how  
But you filled my heart with butterflies I'm falling in  
love...

My doctor says I need no cure this time  
That everything's alright and I am fine  
But my friends don't agree  
They say I'm not the one I used to be  
And it makes me wonder wonder wonder  
Why I smiling all the time the only thing  
I have inside my mind is a picture of you  
And it's there no matter what I do  
No matter what I do not know....

I don't know what it is but I think I'm falling in love  
I don't know what it is but when I close my eyes  
You are the one I'm dreaming of  
I don't know what it's but I'm floating in the sky  
I don't know what it is and I sure don't know how  
But you filled my heart with butterflies I'm falling in  
love...

Seems like all my problems went away  
I start to make the most of everyday  
So I spend them with you no one makes me feel the  
way you do  
And it makes me wonder wonder wonder about the  
pain  
I get inside everytime

That you're not by my side you have opened a door  
I have never felt this way before  
And I want more I don't know....

I don't know what it is but I think I'm falling in love  
I don't know what it is but when I close my eyes  
You are the one I'm dreaming of  
I don't know what it's but I'm floating in the sky  
I don't know what it is and I sure don't know how  
But you filled my heart with butterflies

When we are walking I get to hold your hand  
And that makes me proud,  
I'm screaming out loud I, I am a happy man

And when we're looking up on a clear blue sky  
You give me a kiss,  
I wonder who is THIS LUCKY GUY....

I don't know what it is but I think I'm falling in love  
You are the one I'm dreaming of

I don't know what it is but I think I'm falling in love  
I don't know what it is but when I close my eyes  
You are the one I'm dreaming of  
I don't know what it's but I'm floating in the sky  
I don't know what it is and I sure don't know how  
But you filled my heart with butterflies I'm falling in  
love..
