I'm happy 'cause I found love
So happy 'cause I found real love
So happy, oh, I wanna be with you, be with you
I'm happy 'cause I found real love
So happy, 'cause I found real love, yeah

Goin' alright, think that it's time for
Makin' it right, like it's supposed to
Baby it's true, now that I've found you
A feeling like there is no other

Way for me, to explain
Oh, I wanna be with you, be with you
Goin' alright since I've got you
Baby I feel, baby I feel, baby I feel, yeah

I'm happy 'cause I found love
So happy 'cause I found real love
So happy, oh, I wanna be with you, be with you
I'm happy 'cause I found real love
So happy, 'cause I found real love, yeah

Baby it's time, for me to make you see
The reason I try to keep you by me
Nobody else do it like you do
Seen to be right whatever we do

No one else gets to me
Oh, I wanna be with you, be with you
Holdin' on tight, baby it's time for
Lovin' all night, loving all night, lovin' all night, yeah

I'm happy 'cause I found love
So happy 'cause I found real love
So happy, oh, I wanna be with you, be with you
I'm happy 'cause I found real love
So happy, 'cause I found real love, yeah

Give it all to be together
We will never give up each other
Give it up for something better
Something that goes deeper

Deeper than ourselves

I'm happy 'cause I found love
So happy 'cause I found real love
So happy, oh, I wanna be with you, be with you
I'm happy 'cause I found real love
So happy, 'cause I found real love, yeah

Give it all up to be together
We will never give up each other
Give it all up to be together
Give it all up to be together

I'm happy 'cause I found love
So happy 'cause I found real love
So happy, oh, I wanna be with you, be with you
I'm happy 'cause I found real love
So happy, 'cause I found real love, yeah
