[Chorus:]

I'm happy 'cause I found love
So happy 'cause I found real love
So happy, oh I wanna be with you be with you
I'm happy 'cause I found real love
So happy, 'cause I found real love yeah

Goin' alright, think that it's time for
Makin' it right, like it's supposed to
Baby it's true, now that I've found you
A feeling like there is no other
Way for me, to explain
Oh I wanna be with you, be with you
Goin' alright since I've got you
Baby I feel Baby I feel Baby I feel yeah

[Chorus]

Baby it's time, for me to make you see
The reason I try to keep you by me
Nobody else do it like you do
Seen to be right whatever we do
No one else gets to me
Oh I wanna be with you, be with you
Holdin' on tight, baby it's time for
Lovin' all night loving all night lovin' all night yeah

[Chorus]

Give it all to be together
We will never give up each other
Give it up for something better
Something that goes deeper, deeper than ourselves

[Chorus]

Give it all up to be together, we will never give up each
other
Give it all up to be together, give it all up to be together

[Chorus]
